Concise Overview of the California Consumer Privacy Act Updated May 2020

In follow-up to our previous publications on the California Consumer Privacy Act (the “CCPA”), we have prepared in PowerPoint format an overview of and guide to certain provisions of the CCPA in order to assist our clients in navigating the challenging requirements that the CCPA imposes upon businesses. The PowerPoint may be downloaded via the attached [CCPA PowerPoint file](#).

The CCPA has undergone numerous revisions since our office began following the issue in 2019. Additionally, earlier this year, the California Attorney General, the entity responsible for enforcing the CCPA, issued proposed Regulations in order to provide guidance to businesses on the proper implementation of the CCPA. We expect the Attorney General Regulations to be finalized in the coming weeks. Enforcement of the CCPA will begin July 1, 2020.

You can access a more comprehensive publication on the updated CCPA and Regulations in our Alert, dated May 15, 2020, at the following link: [ALERT - The California Consumer Privacy Act Updated May 2020](#).
